

# BIODIESEL

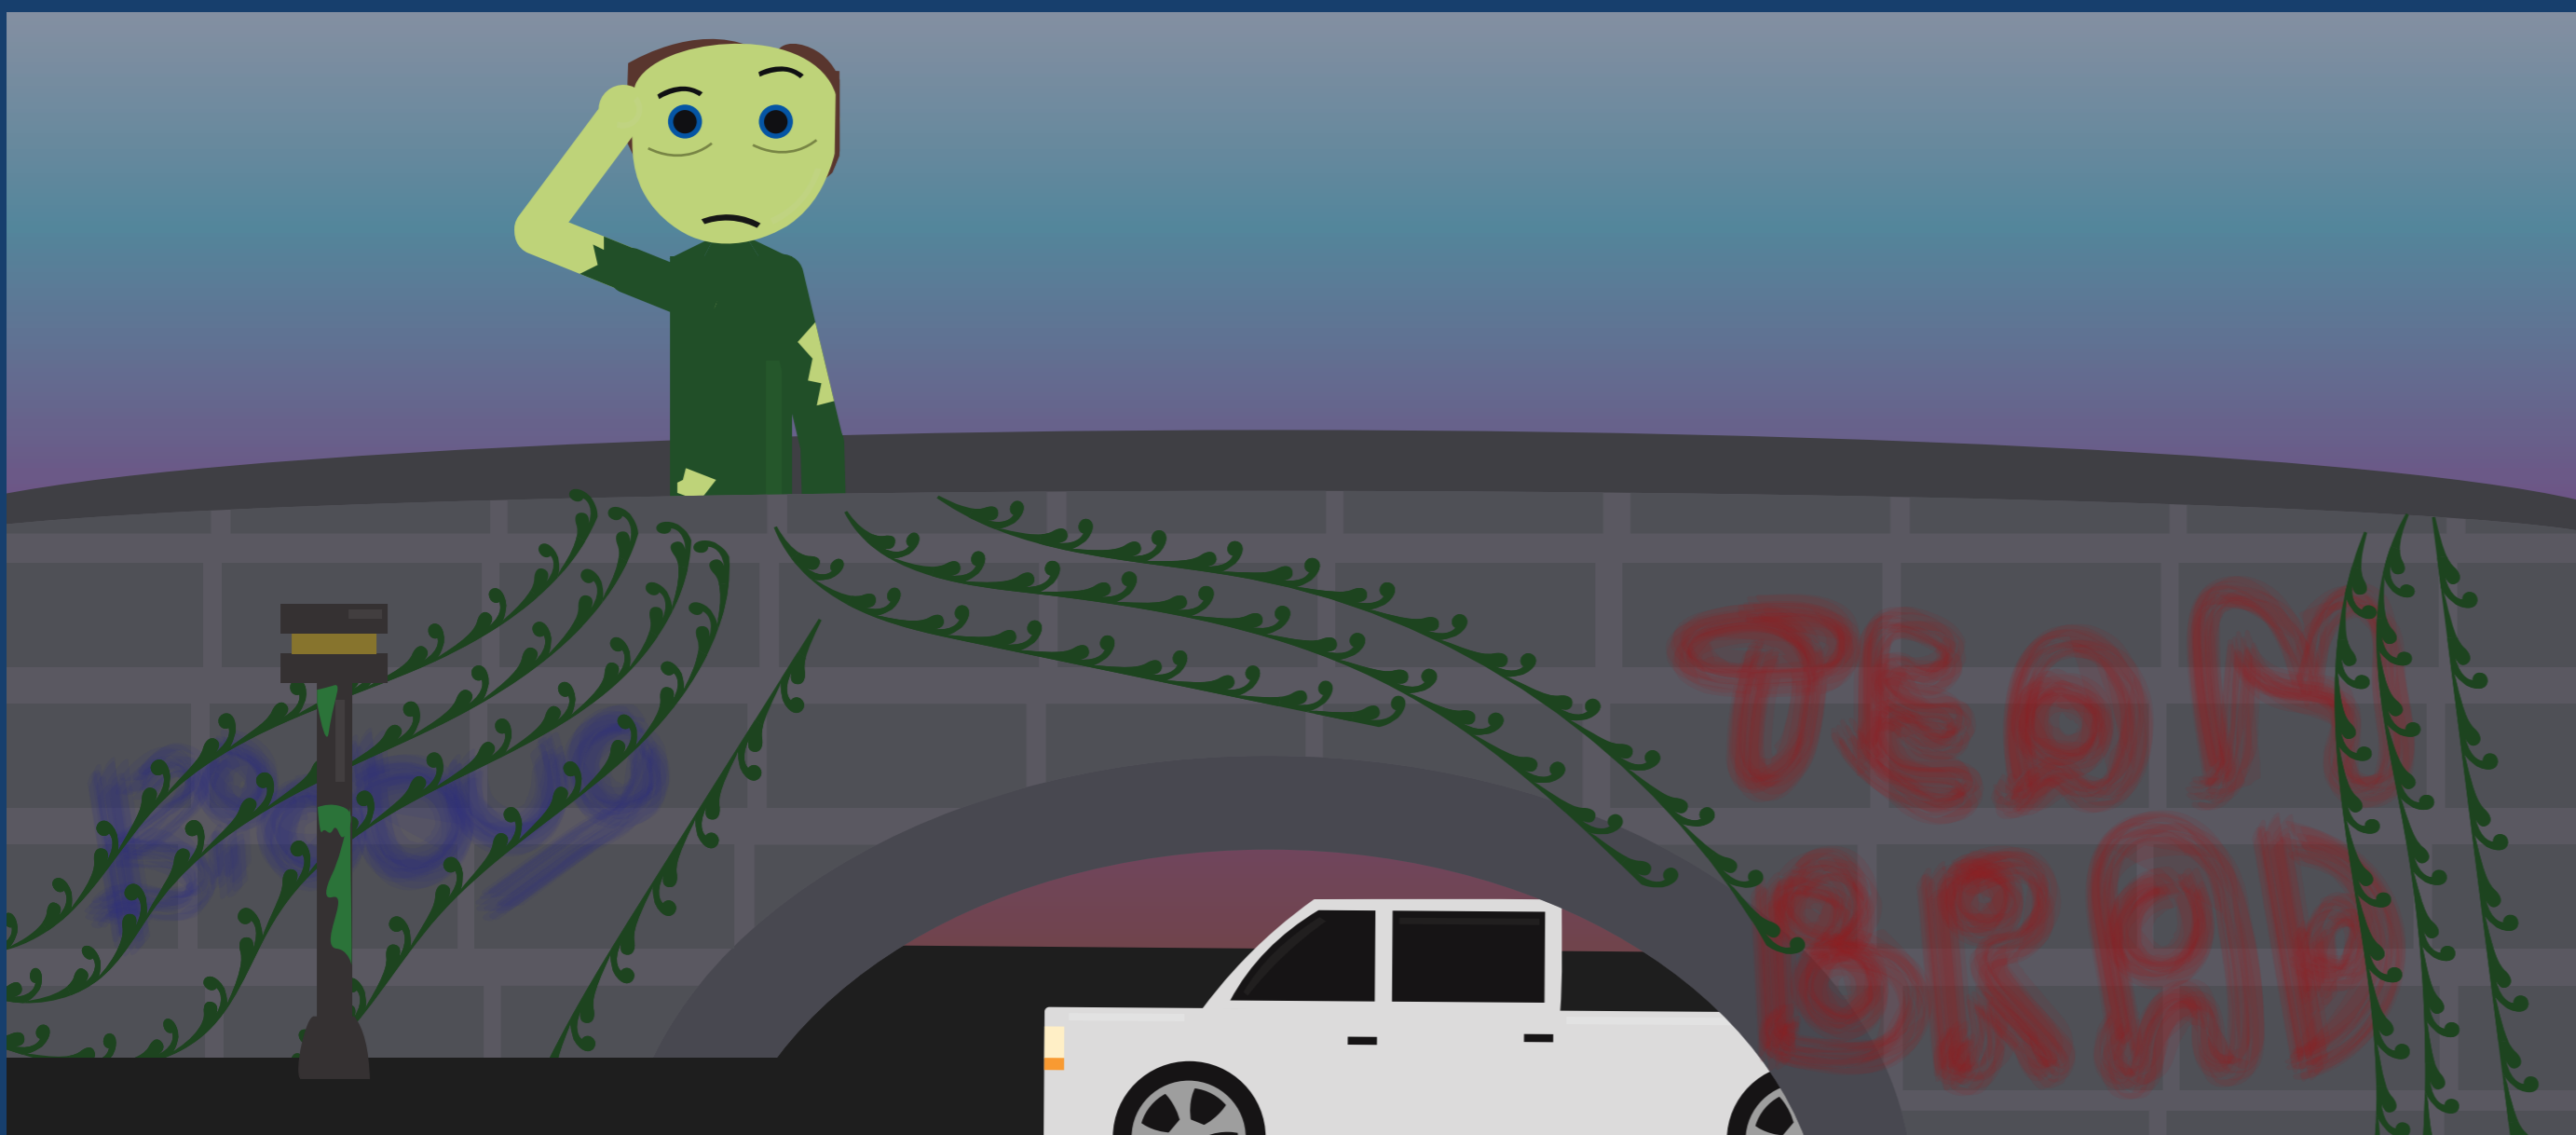

VS

# ZOMBIE APOCALYPSE

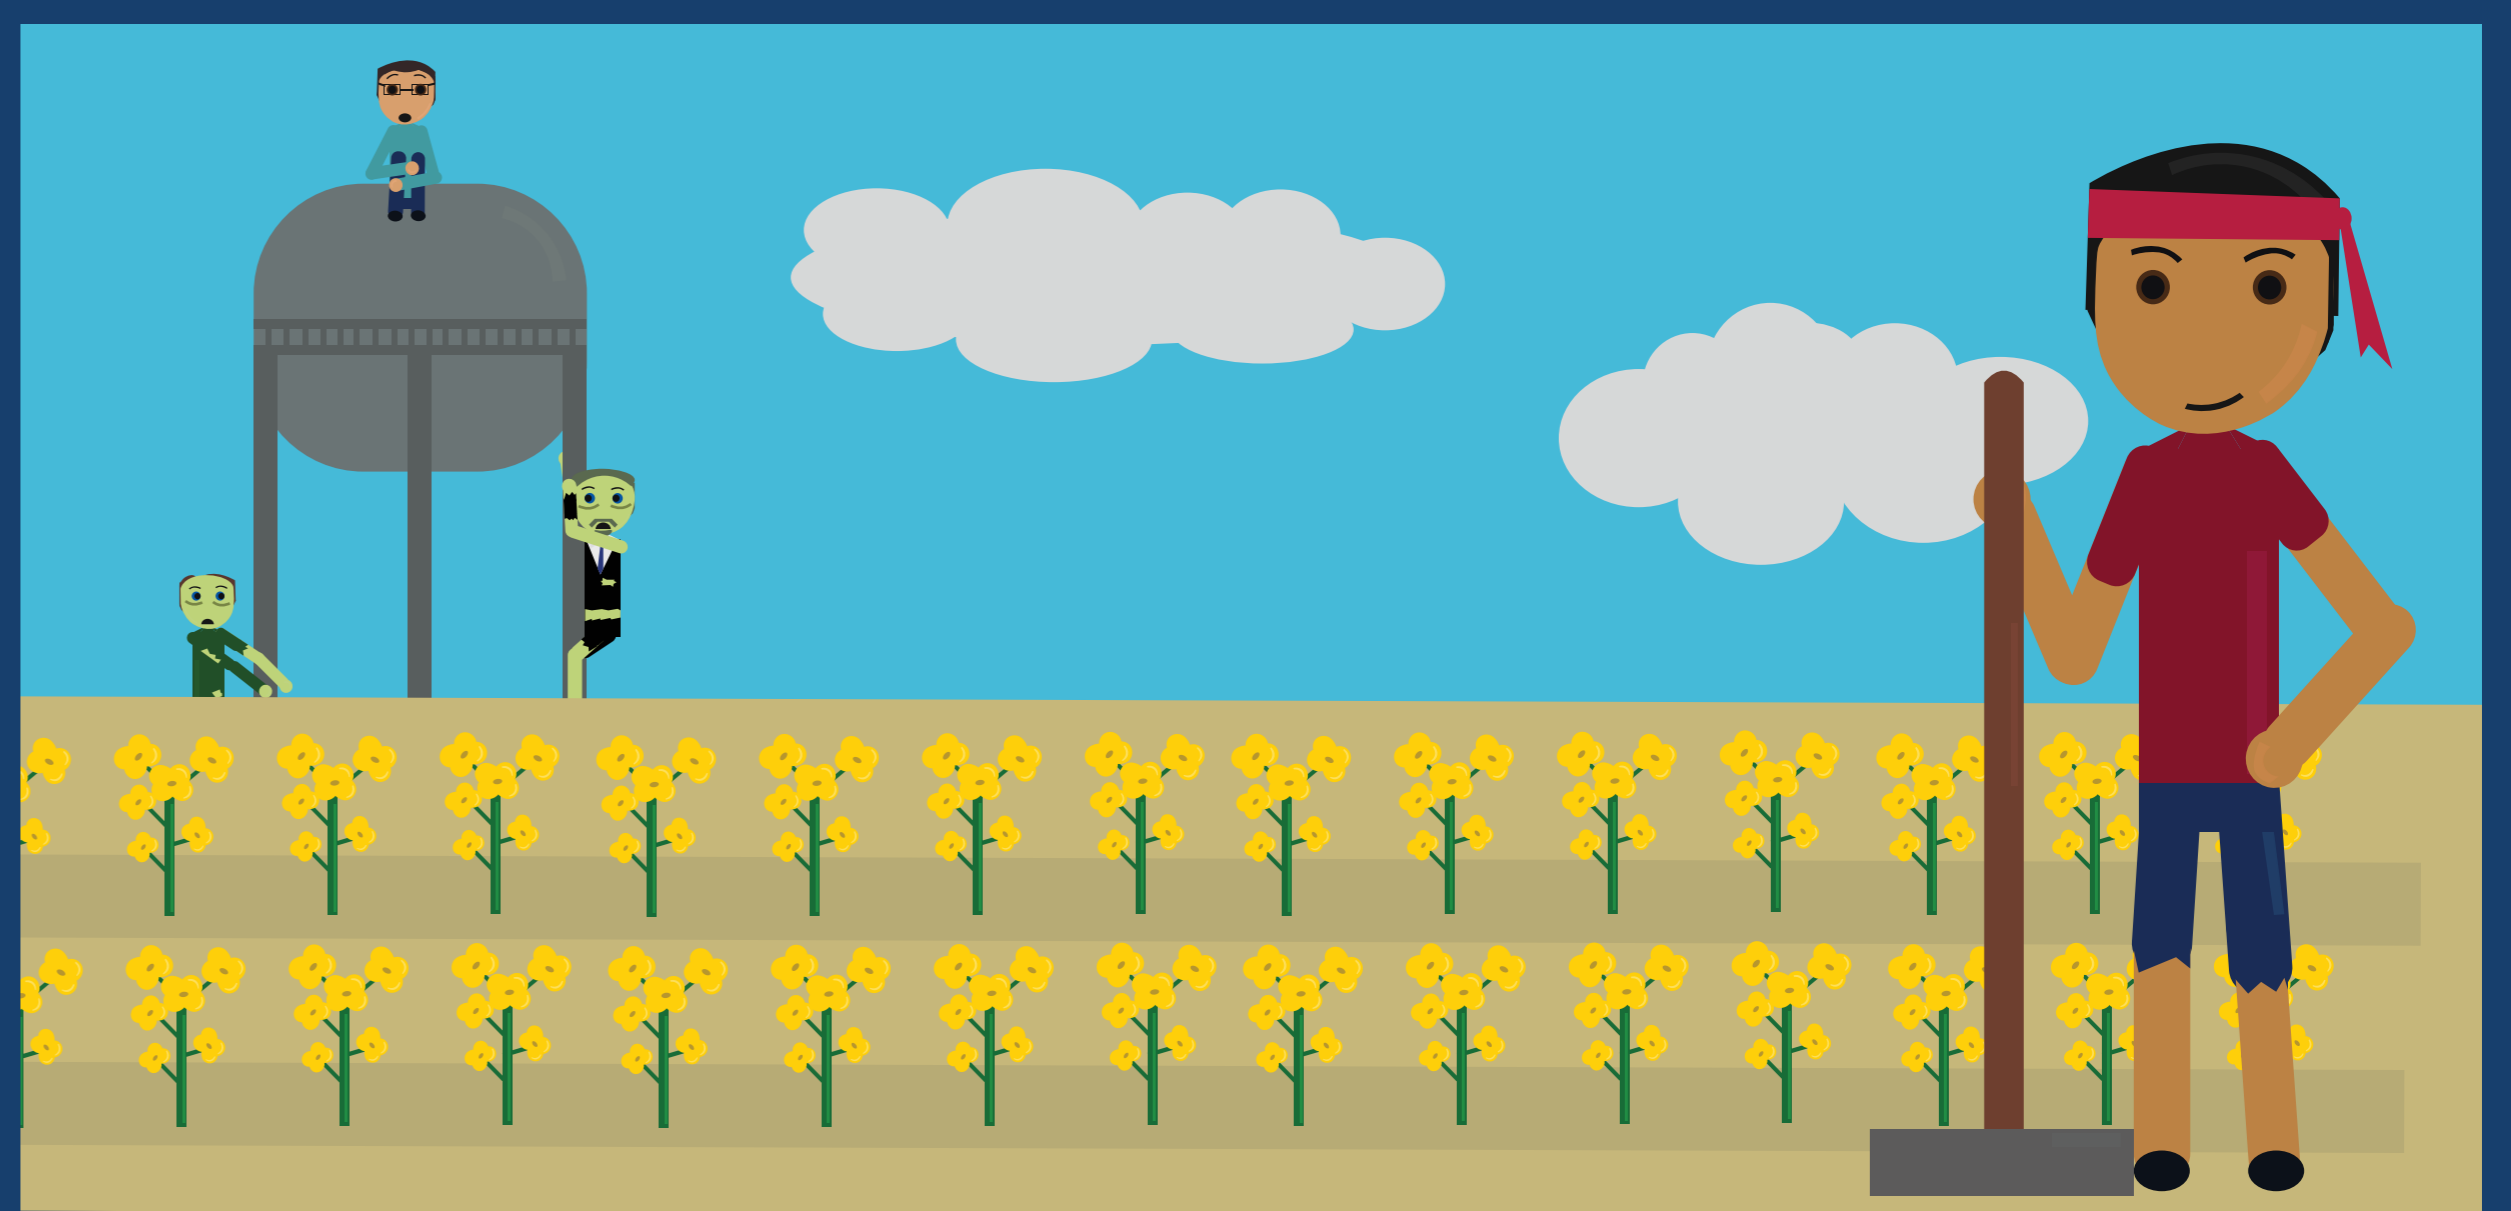

IT NEEDS NO ENGINE MODIFICATION... YOU CAN USE ANY DIESEL ENGINE FOR A QUICK GETAWAY.

IT IS BETTER FOR YOUR ENGINE...WHICH MEANS LESS RISKY PIT STOPS.

IT DOESN'T EXPEL THE THICK BLACK SMOKE DIESEL ENGINES PUT OUT...SO THERE ARE NO DEAD GIVEAWAYS.

BIODIESEL IS MADE FROM VEGETABLE OIL...WASTE OR FRESH.. YOU CAN PRESS THE OIL AND EAT THE MEAL FOR FOOD.

IT'S BETTER FOR THE ENVIRONMENT...PERFECT TO HASTEN THE APOCALYPSE CLEAUP MOVEMENT.
